11:00 Business Meeting

11:30 Member Sharing

12:00 Presentation

Thinking about taking a DNA Test, but have questions? Bristol Chapter member Terence Dugan will share his own experiences and results from testing with several different DNA testing firms, including *23andMe*, *AncestryDNA* and *FamilyTree DNA*. Terry will explain the different types of DNA tests that are offered, including Y DNA, Mitochondrial and Autosomal DNA tests. He will also explain how to interpret the results that are produced from these different DNA tests. **So... come and learn if DNA Testing** might be the key to finding that distant relative you have been searching for!
